

VRIS UPDATE

**Veterans Administration
Effective March 3, 2008
Number 142**

SUMMARY OF UPDATES

The Veterans Administration chapter is a new chapter based on a Memorandum of Understanding agreed to by Nebraska Vocational Rehabilitation (VR) and Veterans Administration – Vocational Rehabilitation and Employment (VA-VRE).

The main points are:

1. VR and VA/VRE share medical and vocational information with each other when needed.
2. How VR makes a referral to the VA/VRE.
3. How VR should process and manage VA/VRE referrals for job placement.
4. VR should request that VA/VRE fund services on joint clients.

VRIS POSTING

The chapter has been posted to Program Manual: Miscellaneous: Veterans Administration

TEAM COMMUNICATION

Review this chapter at your next team meeting. Discuss any cases currently being served by both programs.
